

Close the Station List

Click to Select Station

Selected Station

Open the Station List

Paste the Selected Station

The screenshot shows the 'Announcement Generator' application window. At the top, there is a title bar with the text 'Announcement Generator' and standard window controls. Below the title bar is a dark navigation bar containing several icons: a train, a microphone, a list icon, a destination input field with 'West Pinewood' and arrows, a speaker icon, a clock icon, and a wrench icon. The main interface is divided into several sections. On the left is a 'Station List' with a vertical alphabetical index (A-Z, #) and a list of station names. 'Paisley Canal' is highlighted in blue. A red box with an 'X' icon is positioned above the list, and a red box with a list icon is to its right. Below the list is a 'Destination' section with a list of stations, each with a checkbox and a dropdown arrow. 'Paddington' is selected with a yellow square. A red box with a list icon is to the right of this list. Below the destination list is a 'Postscript' section with text like 'Trolley Service', 'Train Full & Standing', 'Mind The Gap', and 'This Train Has 9 Coaches'. A red box with a list icon and a plus sign is to the right of this section. On the right side of the interface is a 'Calling at' section with a green square and a list of stations, each with a checkbox and a dropdown arrow. 'Hungerford' is selected. A red box with a dropdown arrow is to the right of this list. At the bottom, there is a 'Selected Station' field showing 'Paisley Canal' with arrows on either side, and a large yellow play button icon.
